

Modern Storm Door

2L Self-Storing Retractable

2L-SS-225-R

Modern door, built with old-fashioned quality. The 2 1/4" Modern Self-Storing storm door is built to last and look great. Its bold design gives it a modern flair to dress up any entry door with style and functionality. Whether it is for an added layer of protection against the elements or to let in some fresh air in the summer, Everlast storm doors are sure to please. This 2 lite design provides ventilation with a retractable screen that hides when not in use. The 2 3/4" thick door comes prehung and has a satin silver DX handle.

- 2 lite design provides convenient ventilation
- Retractable screen that hides when not in use for an unobstructed view
- Double baked enamel Duracron Finish
- Heavy Duty torsion bar closer

Includes

- 2-1/4" thick frame with reinforced corners for durability
- Decorative stucco embossed kick panel
- Screw cover to hide installation screws
- Satin silver DX handle
